

Town of Miami Lakes

RFP 2017-22

Lake Sarah Roadway & Drainage Improvements

Phases I, II, & III

Addendum #1

Due Date: May 8, 2017

This addendum is incorporated into and made a part of the Request for Proposal (“RFP”). The following may include clarifications, revisions, additions, deletions, or answers to questions received relative to the RFP, which take precedence over the RFP documents. Underlined word(s) indicate additions. Deletions are indicated by strikethrough.

Clarifications:

- 1. Section 1, Minimum Qualifications, is hereby revised as follows:

Section 1:

“Proposers must hold a current certified license as a General Engineering Contractor, from the State of Florida, or a Certificate of Competency from the Miami-Dade County’s Construction Trades Qualifying Board as a General Engineering Contractor or as a Specialty Engineering Contractor under which the work can be performed, who meets the minimum requirements set forth in Article 4.5 of the RFP”

- 2. Section 4, Article 4.5, Minimum Qualification Requirements, is hereby revised as follows:

Section 4, Article 4.5:

“The Town is seeking to procure a qualified firm that holds a current license from the State of Florida as a Certified General Engineering Contractor, ~~from the State of Florida, or holds a~~ Certificate of Competency from the Miami-Dade County’s Construction Trades Qualifying Board as a General Engineering Contractor or as a Specialty Engineering Contractor. Proposer **must have completed a minimum of three (3) projects of a similar, size scope and complexity in the last five (5) years**, where the value of each of the projects exceeded \$750,000. **The Successful Proposer must be capable of self- performing thirty (30%) percent of the primary physical construction Work.**”
