• **2022 Town Priorities**

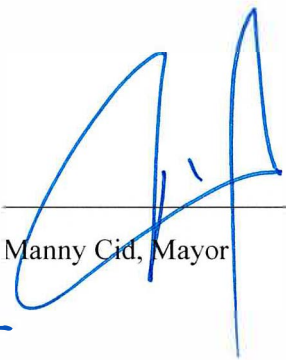

Mayor Manny Cid and Vice Mayor Jeffrey Rodriguez discussed Vice Mayor Rodriguez's involvement and priorities as an elected official for 2022. In his last year of office, Vice Mayor Rodriguez's biggest priority is the Miami Lakes Optimist Park renovation. He wants to see MLOP in the November Ballot with clear verbiage for residents to vote on this. Both Mayor Cid and Vice Mayor Rodriguez discussed the possibility of renaming Miami Lakes Optimist Park once renovated.

Also discussed was the ordinance regarding golf carts. Vice Mayor Rodriguez would like to see a draft in 1st reading by the February Council Meeting. Another project discussed was regarding undergrounding in the east side of Miami Lakes. Vice Mayor Rodriguez would like to see the financial burden distributed town-wide, similar to the Stormwater Improvement projects; he feels it is only fair to do so. Town Manager, Ed Pidermann stated FPL has a similar project that he will research and bring back this information.

Other projects Vice Mayor Rodriguez would like to get involved in include speedbumps in more areas throughout the town, completing the agreement that allows the Town to complete projects without County's approval and finalizing the repaving of 67th Avenue.
