The Town encompasses about 6.5 square miles, bound by NW 170th Street and the Palmetto Expressway (SR 826) to the north, NW 138th Street to the south, NW 57th Avenue (Red Road) to the east, and Interstate 75 to the west.

Aeriel View of the Town of Miami Lakes

Small-town feel...

Over the last 60 years, Miami Lakes has evolved from a dream on paper to a vibrant community that has been nationally recognized as one of the best examples of unique and innovative town planning. Although the Town is predominantly low-density, an active and popular Town Center, as well as strategically placed large parks, pocket parks, schools, religious and commercial centers throughout the Town, provide a variety of services and social interaction opportunities, creating a community with a smalltown feel. The housing inventory is also varied, ranging from medium density multifamily to large waterfront single-family properties, including town-house communities. lakefront The prevalent manv nonresidential uses are light industrial and office parks comprising 13% of the Town's area, and lakes and canals making up about 11%; the town businesses employ around 30,000 people, 12% of which reside in Miami Lakes. The population of the Town of Miami Lakes had grown to 31,238 as of the 2023 census. It currently ranks 12th in population size within Miami-Dade County. Comparable cities include Coral Gables on the high end of the population spectrum and Pinecrest on the lower end.

VISION

Miami Lakes is widely recognized as a welcoming community with extraordinary beauty where state of the art planning concepts creates vibrant hubs that are safe and friendly to all ages and mobility options which inspire the Town to continue:

"Growing Beautifully"

MISSION

We want Miami Lakes to be the model of a friendly, open, innovative, effective and efficient government for its residents and businesses.

FINANCIAL HIGHLIGHTS

The Town of Miami Lakes is in excellent financial condition. The Town's conservative financial management approach has allowed our municipality to maintain an AA+ Fitch rating and an Aa2 moody rating. The Finance Department has embraced technology in enhancing government transparency by providing more frequent key financial data on the Town's website, including monthly check registers and budget-to-actual reports. In addition, to further accelerate and advance our long-term transparency vision through the data sharing and analytical capabilities, a Tyler Technologies cloud-based transparency module www.TransparentMiamiLakes.com was released in FY2020 (maximizing the full potential of our installed Tyler/MUNIS product solutions).

The Town of Miami Lakes' uses independent contractors to consecutively maintain one of the lowest millage rates in the County, without sacrificing levels of services. The Town's low tax rate (2.0732) ranks 5th lowest when compared to all municipalities in Miami-Dade County in the millage rate they impose on property values (which is the main source of funding for local governments). The town received the "Excellence in Financial Reporting Award" from the Government Financial Officers Association (GFOA).

The Finance Department records and reports the financial transactions of the Town in accordance with Generally Accepted Accounting Principles applicable to governmental entities. This includes activities such as the preparation of financial statements and other reports, cash management, revenue collection, disbursements, payroll, audit coordination and risk management, as well as providing assistance with the preparation and monitoring of the annual budget.

FINANCIAL HIGHLIGHTS

The Town's Finance Department provides support on financial and fiscal matters and strives toward the accomplishment of its goals which include the following:

- Maintain proper accountability over the Town's financial resources
- Prepare accurate and timely financial reports on the Town's financial condition
- Ensure proper implementation of financial and accounting practices for the effective and efficient use of the Town's financial resources

ACCOMPLISHMENTS

- Successfully completed the FY2022-2023 general audit with no findings and received unmodified opinions.
- The Town received the Certificate of Achievement for Excellence in Financial Reporting from the GFOA for the 11th consecutive year, the highest recognition in governmental accounting and financial reporting.
- The Finance Department issued over 460 rebate checks to eligible Miami Lakes residents through the Town's Senior and Disability Relief Program for the 3rd consecutive year.
- Achieved 97% on-time payments of invoices in compliance with Florida Statute's Prompt Payment Act.
- Generated over \$2.1 million in investment income.

TECHNOLOGY & INNOVATION

FY2023-24

The Technology & Innovation Office provides IT services and infrastructure for all Town Hall departments. Its mission is to enhance the user experience for residents, businesses, visitors, and employees by utilizing advanced tools and innovative methods to create world-class technology solutions.

Highlights:

- <u>Chambers Audio System Upgrade</u>: The Chambers' audio system has been upgraded to enhance communication during meetings and presentations. New high-quality speakers have been strategically installed on the back wall, and additional features have been implemented to enhance speech clarity.
- <u>Chambers External Interfaces Installation</u>: External computer interfaces were added, allowing seamless connections for laptops and tablets to three wall-mounted TVs via HDMI. This enables residents, guests, and staff to project content simultaneously without IT assistance, enhancing accessibility and usability.
- <u>Chambers Video System Enhancement:</u> The video system was upgraded from standard definition (480i) to high definition (1080p), significantly enhancing clarity. This ensures that in-person and remote participants can see details, fostering engaging and productive meetings.
- <u>Digital Display Installation</u>: A third digital display was installed in front of the Community Conference Room for effective public communication of essential information, allowing real-time updates from any device.
- <u>Cybersecurity Enhancements</u>: Implemented improved measures for data backup, anti-spam, anti-phishing, and anti-virus protection, alongside the adoption of the NIST Cybersecurity Framework for comprehensive security.
- <u>Backup Internet Upgrade</u>: The backup internet connection was upgraded from 300 Mbps to 1,000 Mbps (1G), improving reliability and scalability. This also facilitates load balancing to optimize network performance during peak usage.
